

800-454-04434 Sales@SelbySoft.com

SelbySoft works with a variety of credit card processors. The companies below all have relationships with us and offer special rates to our customers. Because of our relationship, any processing issues are resolved much more quickly!

Worldpay/FIS

Partnership Manager

303-362-2732

Peter.Garringer@fisglobal.com

Worldpay/FIS has a direct interface with SelbySoft that eliminates all third party software, allows automatic batching and includes an online portal to review any and all credit card information. EMV (chip cards) terminals are certified with SelbySoft as well.

Heartland Payment

Carol French

Relationship Manager

Cell: 801-652-9131

Direct : 801-331-8147

Carol.French@e-hps.com

Heartland is endorsed by the restaurant association in every state. We have a close relationship with them and Carol is a fantastic rep who has been in the industry for a long time. EMV (chip cards) is certified through SelbySoft.

Riverside Payments

April Everhart

Territory Sales Manager

Direct: 509-912-2864

Cell: 360-768-6245

aeverhart@riversidepayments.com

Riverside has a long history of helping out small transaction locations. They have been an excellent partner for our coffee customers and very competitive. EMV (chip cards) is certified through SelbySoft as well.

TransNational Payments

Matt gandolfo

Cell 847-877-8442

Main: 847-655-1355

MGandolfo@gotnp.com

TNP has a software interface with SelbySoft that allows us to work closely with them. EMV (chip cards) is also certified with SelbySoft. TNP also has special rates for Church & Ministries.
